INDEX TO VOLUME 16

Adu, D. I., Connected CM-homomorphisms into semigroups of closed binary relations on hereditarily locally connected continua.....	403
Allouch, D., Extensions de demi-groupe inverses.....	111
Anderson, J. A., Tensor product of commutative semigroups.....	153
Anderson, J. A., and N. Kimura, The tensor product of semi-lattices.....	83
Anderson, J. A., and N. Kimura, Tensor product of commutative unions of groups.....	105
Batbedat, A., Des schemas en demi-groupes commutatifs.....	473
Batbedat, A., La Langage des schemas pour les demi-groupes commutatifs.....	463
Burgess, W. D., and R. Raphael, On Conrad's partial order relation on semiprime rings and semigroups.....	133
Clifford, A. H., Remarks on 0-minimal quasi-ideals in semigroups.....	183
Clifford, A. H., Lectures in semigroups, by M. Petrich.....	379
Demlová, M., On groups of units in a special class of monoids..	443
Goldstein, J., C. Radin, and R. Showalter, Convergence rates of ergodic limits for semigroups and cosine functions.....	89
Hall, T. E., Inverse semigroup varieties with the amalgamation property.....	37
Howard, M. L., Roots of doubly-infinite increasing sequences...	385
Johnson, C. S., and F. R. McMorris, Abian's order relation for semigroups.....	147
Kamara, M., Treillis continus et treillis complètement distributifs.....	387
Kim, K. H., and F. W. Roush, On groups in varieties of semigroups.....	201
Kim, K. H., and F. W. Roush, Orders of subsemigroups of T_n	203
Kimura, N., see Anderson, J. A.	
Kimura, N., see Anderson, J. A.	
Knox, N., The inverse hull of the free semigroup on a set X....	345
Kuspanov, U. K., On the classes of orderable semigroups in varieties.....	117
Lau, A. Y. W., Quotients of compact 0-dimensional semigroups and groupoids.....	197
Madhavan, S., Some results on generalized inverse semigroups...	355
Magill, K. D., Green's J-relation for polynomials.....	165
McMorris, F. R., see Johnson, C. S.	
Mills, J. E., A class of uniform bands.....	53
Nambooripad, K. S., Relations between cross-connections and biordered sets.....	67

Nico, W. R., The core congruence on a monoid.....	141
Nordahl, T. E., and H. E. Scheiblich, Regular \ast semigroups.....	369
Oehmke, R. H., On right congruences of semigroups.....	393
Osondu, K. E., Homogeneous quotients of semigroups.....	455
Rabin, C., see Goldstein, J.	
Raphael, R., see Burgess, W. D.	
Reis, C. M., A note on homomorphisms of a free monoid.....	389
Roiz, E. N., and B. M. Schein, Radicals of semigroups.....	299
Roush, F. W., see Kim, K. H.	
Roush, F. W., see Kim, K. H.	
Ruppert, W., A note on my paper "Notes on compact semigroups with identity".....	199
Scheiblich, H. E., see Nordahl, T. E.	
Schein, B. M., On semisimple bands.....	1
Schein, B. M., see Roiz, E. N.	
Showalter, R., see Goldstein, J.	
Weinert, H. J., On left, right and two-sided cancellable elements of semigroups.....	97
Wells, C., Extension theories for monoids.....	13
Wenger, R. H., Finite commutative semigroups having Frobenius semigroup algebras.....	427
